That's None of Your Business: And Other Things God Told Me Teaches Us How to Listen to God In 2006, I came across an old man dying in the street, being a former New Yorker, my first reaction was to mind my own business and walk right by. But it wasn't God's plan for that man to die that day, and it was God's plan to change my life forever. Since that day, I've thought about the spiritual guidance I received that day and realized the bigger messages contained they held. Those insights are what you'll find in this book. This book is for those who are committed to getting closer to God in every day life. Some of the insights I share include: Push forward even when you're not 100% sure of the road ahead We all want to feel confident, to know in our gut that we're doing the right thing. God is Leading Us Every Step of the Way We can read the Bible, we can try to pray, but for some of us, depression, self-defeating attitudes, and confusion seem to run our lives. It doesn't have to be that way. I'm not going to tell you it's easy. But I will share with you how I've worked to overcome these and move toward joy, peace and purpose. You will learn the same lessons I've learned from God's angel messages I know I'm not alone in feeling God's guidance and hearing God's messages. But, sometimes I feel so confused, lost or sad. How can I feel that way if I've experienced God in my life? Each Moment is New and We Can Learn How...
